

# 2019 COLLEGE SEND-OFF SPONSORSHIPS

## COLLEGE BASKETS | \$100

Provide freshman college students with necessities like toiletries, bed sheets, laundry detergent, and more — all bundled into their own laundry basket! These meaningful gifts help students start college on the right foot with the supplies they need.

## CASE MANAGEMENT | \$50-\$100/meeting

P4K staff meet with students monthly for 1:1 support at UNO, UNL, and MCC to ensure they remain successful and engaged. P4K also holds monthly “lunch-and-learns” and presentations for students covering an array of topics, such as: budgeting, study skills, resume workshops, professionalism, healthy relationships, campus resources, and much more.

## EMERGENCY FUND | \$50, \$100, \$250+

P4K provides emergency funding for students experiencing financial hardship that hinders their ability to continue their education. In the past, we have assisted students with medical bills, dental emergencies, car repairs, and more to ensure they stay on track with their educational goals.

## SCHOLARSHIPS | \$500, \$1,000, \$2,500+

The number of P4K college students grows each year with the success of our program guiding students to and through college. P4K awards scholarships to students who meet our qualifications. In 2018, 32 students received this scholarship, averaging about \$2,400 per student.
